Samsung SPH-A640 Back Cover Replacement

Replace the rear cover of your Samsung SPH-A640.

Written By: Alex

INTRODUCTION

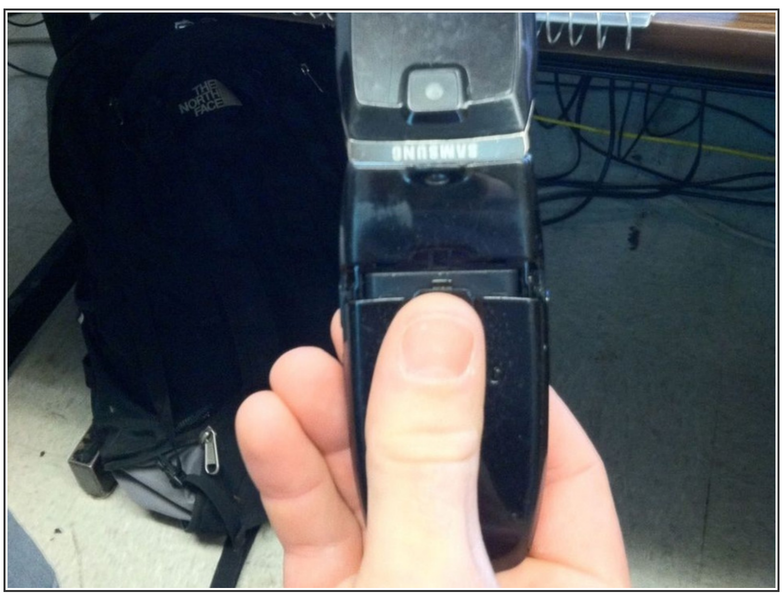

Use this guide to replace the rear cover of the Samsung SPH-A640.

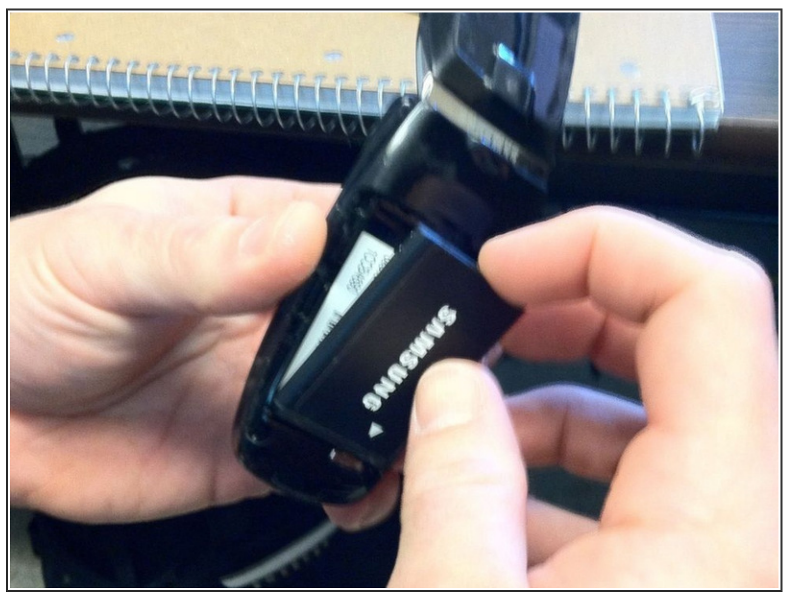

Step 1 — Back Cover

- Press and hold the “End” button until the phone powers off.

Step 2

- Turn the phone over on its backside.
- Remove the bottom cover by sliding it downward, and then remove the battery.

To reassemble your device, follow these instructions in reverse order.
